

# INDONESIA - JAPAN PORT and AIRPORT SEMINAR 2024

Hotel JW Marriot, Jakarta 4 December 2024

JICA is promoting two technical cooperation projects related to Patimban Port in Indonesia: one to enhance port operations and another to support regional development in the Rebana area. To share progress and insights, the Indonesia-Japan Port and Airport Seminar 2024 will be held as a joint event between JICA and JOPCA. This marks the first seminar integrating port and airport sectors, fostering collaboration and knowledge exchange.

## Program 1: “The Key Factor for Port, Airport and Regional Development”

### Purpose:

As part of follow-up support for JICA alumni in Indonesia's port and airport sectors, this seminar will share Japanese case studies on port and airport development and regional development, facilitating discussions on how these insights can apply Indonesia's future policies.

Presentation materials can be downloaded from QR Code.
